VOLUNTEER OF EXCELLENCE AWARD

To County 4-H Leaders Councils and Management Boards:

The South Central Section, host of the 2008 State Leaders' Forum, would like to recognize 4-H volunteer leaders from throughout California for their special contributions. Please join us in celebrating the wonderful diversity of talents within our 4-H youth development program by nominating an outstanding volunteer from your county. This is your county's opportunity to publicly honor a person who has positively affected the lives of youth and created a standard of excellence that helps motivate and encourage others.

The recognition ceremony during the 2008 State 4-H Leaders' Forum will spotlight each nominee as a Volunteer of Excellence.

Each county in California is invited to nominate one outstanding 4-H volunteer leader. The selection procedure is determined by the county. Please use the following outline for your written nomination:
