CONFERENCE INFORMATION

Having read the multiple reasons on the previous page why you should attend the 2008 California State 4-H Leaders' Forum we are sure you can't wait to register! 4-H volunteers and staff of the South Central Section are excited to present this year's Forum. We are looking forward to seeing each of you at the beautiful Asilomar conference center in November. If you have any questions, please contact us.

Registration for the 2008 Forum will be in two parts, which is different from previous years. There is a Forum conference registration form, which will be returned to the Stanislaus County UCCE Office with your check. We have tried to keep this fee as low as possible. We appreciate the funding provided by Monsanto, through National 4-H Council. The conference registration fee covers workshop room charges, speaker fees and refreshments. Everyone attending the conference needs to register as a delegate, even if you only attend for one day. If you are not staying overnight in an Asilomar room please register as an "off grounds" delegate. Off grounds delegates may purchase meal tickets using the conference registration form.

The second part is your Asilomar housing reservation form. This form needs to be completed and returned to Asilomar with your payment for rooms with meals. If you are staying on-grounds in an Asilomar room, your meals are included. Housing choices are the same as in past years: single, double, or triple/quad. Asilomar rooms for our conference are only guaranteed until September 5, so please make your reservation before the deadline. Asilomar will make every effort to accommodate reservations made after that date but they are not guaranteed.

We will be offering group activities Friday evening, Saturday, and Sunday morning. A variety of educational workshops will be presented on Saturday. The popular Silent Auction opens Friday and concludes Saturday evening. You won't want to miss the displays of innovative county programs and the spirited Saturday night Campfire program. Come be surprised!

Our Saturday featured speaker will be Joyce Ester, who handles student conduct and discipline in the Dean of Student Affairs Department at California State University, Fresno. She is the Assistant Vice President for Judicial Affairs and Division Planning. She will share her insights on students and leadership beginning with her experiences as an Illinois 4-H member.

Other speakers and activities will be announced as they are confirmed so watch this space!
